JUDGE WALTER HERBERT RICE

---

ENTRY FINDING DEFENDANT HAS BEEN RESTORED TO  
REASON/COMPETENCY AND RESTORING DEFENDANT TO FULL  
STATUS ON SUPERVISED RELEASE, WITH ONE YEAR OF  
SUPERVISION TO SERVE FROM JUNE 10, 2013, SUBJECT TO CERTAIN  
CONDITIONS; RIGHT OF APPEAL EXPLAINED AND UNDERSTOOD;  
TERMINATION ENTRY

---

Pursuant to the record made in open Court on June 10, 2013, this Court finds that the Defendant has been restored to reason/competency and he is, therefore, reinstated to full privileges of supervised release, with one year of supervision to follow from the aforesaid June 10, 2013. The condition of the one year period of supervised release is that he comply with all undischarged conditions of supervision initially imposed and, further, based upon the record made in open Court on June 17, 2013, during which this Court took testimony from Dr. Ralph Newman, M.D., Staff Psychiatrist at Butner Federal Medical Center, that an additional condition be imposed, to wit: that Defendant is to receive, on an intra-muscular basis, the appropriate dosage of Risperdal Consta 25 milligrams every three weeks.

On June 10, 2013, the Defendant, having been restored to reason, this Court dismissed any and all Petitions directing him to show cause why his supervised release, a status that began August 20, 2007, should not be revoked, said now dismissed Petitions serving as the basis of this

Court's initial referral to the Federal Medical Center until the Defendant was restored to reason.

Following the above, the Defendant was orally explained his right of appeal, and he indicated an understanding of same.

The captioned supervised release violation is hereby terminated upon the docket records of the docket records of the United States District Court for the Southern District of Ohio, Western Division at Dayton.
